

1 comment and third-party plans in accordance with its rules, chapter
2 417-06 WAC; and

3 WHEREAS, The Washington State Redistricting Commission has adopted
4 by a unanimous vote a Final Plan and Resolution of the Redistricting
5 Commission on this date January 1, 2012, in conformity with the
6 constitutional requirement that it do so as soon as possible following
7 the federal decennial census, but no later than January 1st of each
8 year ending in two;

9 NOW, THEREFORE, BE IT RESOLVED, THAT

10 FIRST, It is the intent of the Commission to redistrict the
11 congressional and legislative districts of the state of Washington in
12 accordance with the Constitution and laws of the United States and the
13 state of Washington; and

14 SECOND, The definitions set forth in RCW 44.05.020 apply throughout
15 this plan, unless the context requires otherwise; and

16 THIRD, In every case the population of the congressional and
17 legislative districts described by this plan has been ascertained on
18 the basis of the total number of persons found inhabiting such areas as
19 of April 1, 2010, in accordance with the 2010 federal decennial census
20 data submitted pursuant to P.L. 94-171; and

21 FOURTH, Pursuant to the most recent certificate of entitlement from
22 the Clerk of the United States House of Representatives as required by
23 2 U.S.C. Sec. 2a, the territory of the state shall be divided into ten
24 congressional districts. The congressional districts described by this
25 plan shall be those recorded as C-JOINTSUB_2-1, maintained in
26 electronic files designated as C-JOINTSUB_2-1, which are public records
27 of the Commission. As soon as practicable after approval and
28 submission of this plan to the Legislature, the Commission shall
29 publish C-JOINTSUB_2-1; and

30 FIFTH, The legislative districts described by this plan shall be
31 those recorded as L-JOINTSUB_3-2, maintained in electronic files
32 designated as L-JOINTSUB_3-2, which are public records of the
33 Commission. As soon as practicable after approval and submission of
34 this plan to the Legislature, the Commission shall publish L-
35 JOINTSUB_3-2; and

36 SIXTH, The Commission recognizes that existing state law shall
37 continue to govern such matters as the terms and dates of election for
38 members of the state Senate to be elected from each district, the

1 status of "hold-over" senators, and the elections to fill vacancies,
2 when required. Districts referred to in existing law and designated by
3 number shall refer to districts of the same number described in this
4 plan, beginning with the next elections in 2012; and

5 SEVENTH, This Commission intends that this plan supersede the
6 district boundaries established by chapters 29A.76A and 44.07D RCW for
7 congressional and legislative districts, respectively; and

8 EIGHTH, If any provision of this plan or its application to any
9 person or circumstance is held invalid, the remainder of the plan or
10 its application to other persons or circumstances is not affected; and

11 NINTH, For purposes of this plan, districts shall be described in
12 terms of:

13 (1) Official United States Census Bureau tracts, Block Groups, or
14 blocks established by the United States Census Bureau in the 2010
15 federal decennial census or specifically delineated portions thereof;
16 and

17 (2) Local political subdivisions, such as counties, municipalities,
18 school districts, voting precincts, or other political subdivisions as
19 they existed on January 1, 2010; and

20 (3) Any durable and significant natural or artificial boundaries or
21 monuments including but not limited to rivers, streams, or lakes as
22 they existed on January 1, 2010; and

23 (4) Roads, streets, or highways as they existed on January 1, 2010;
24 and

25 (5) Where the boundary of any Census tract, Block Group, or block
26 listed herein is defined by a visible feature, or by the boundary of a
27 county, voting precinct, school district, urban growth area, or
28 incorporated city or town, the boundary of that Census tract, Block
29 Group, or block shall be considered to follow the actual location of
30 that feature or boundary as of January 1, 2010, should this differ from
31 the location mapped by the United States Census Bureau; and

32 (6) Where the boundary of any Census tract, Block Group, or block
33 listed herein is defined by a roadway, and the boundary of an
34 incorporated city or town lies along a right-of-way line of that
35 roadway, the County Auditor may consider the boundary of that tract,
36 Block Group, or block to follow the corporate limits of that city or
37 town for the purpose of implementing this plan; and

1 TENTH, Any area not specifically included within the boundaries of
2 any of the districts as described in this plan; any area described in
3 this plan as specifically embraced in two or more districts; and other
4 specified instances of omissions or errors, shall be resolved in
5 accordance with the criteria detailed in Attachment A.

6 **ATTACHMENT A**

7 **CRITERIA FOR RESOLVING ERRORS AND OMISSIONS AFTER ADOPTION**
8 **OF THE 2012 PLAN**

9 (A) If any area is not included in any district as described
10 herein, it shall be assigned to a district as follows:

11 (1) If the area is surrounded by or adjacent to a single district,
12 it shall be a part of that district.

13 (2) If the area is adjacent to more than one district:

14 (a) The area shall be a part of the adjacent district that is not
15 separated from the area by a county boundary;

16 (b) If more than one district satisfies criterion (a), the area
17 shall be a part of the adjacent district that is not separated from the
18 area by a municipal boundary;

19 (c) If more than one district satisfies criteria (a) and (b), the
20 area shall be a part of the adjacent district that has the least
21 population of all adjacent districts that satisfy criteria (a) and (b);

22 (d) If more than one district satisfies criteria (a), (b), and (c),
23 the area shall be a part of the adjacent district satisfying criteria
24 (a), (b), and (c) with which the area shares the longest land boundary;

25 (e) If all districts that satisfy criterion (a) fail to satisfy
26 criterion (b), the area shall be a part of the adjacent district that
27 has the least population of all adjacent districts that satisfy
28 criterion (a);

29 (f) If all districts that satisfy criterion (a) fail to satisfy
30 criterion (b), and more than one district satisfies criteria (a) and
31 (e), the area shall be a part of the adjacent district satisfying
32 criteria (a) and (e) with which the area shares the longest land
33 boundary.

34 (B) If any area is included within more than one district as
35 described herein, it shall be assigned to only one district, following
36 the criteria in (A) above, with the additional condition that the area
37 must be assigned to one of the districts within which it is included as
38 described herein.

1 (C) If any district described herein is found to consist of
2 multiple nonadjacent areas, the area having the largest population
3 shall be considered to be the district, and the area(s) with lesser
4 population shall be assigned following the criteria in (A) above, with
5 the following exception:

6 If a land area is completely separated from the remaining land
7 area of the district to which it has been assigned solely by
8 Census blocks consisting entirely of water, and if the
9 intervening Census water blocks have been assigned to a
10 different district, and the area is accessible from the
11 remainder of its district by bridge or ferry, then the area
12 shall remain a part of the district to which it is assigned
13 herein, and the intervening water Census blocks shall also be
14 reassigned to that district.
