| 12/27/2011 10:38 | Jonathan M. Fox | The proposed lines for the 37th District impare public participation in goverment. It takes my PCOs that live at one end of district over 45 mins to reach meetings. Renton, Skyway and West hill are not Seattle. | Yes |
| 12/27/2011 10:38 | Sue Lani Madsen | Had to go to tvw.org at http://www.tvw.org/index.php?option=com_tvwliveplayer&eventID=LIVE247 | Yes |
| 12/27/2011 10:38 | chadlupkes | Still not working. I'm able to watch on the TVW livestream, but not this page. | No |
| 12/27/2011 10:40 | Sue Lani Madsen | Dear Jonathan, it takes PCO's in one end of my district over 3 hours to reach meetings. No sympathy. | Yes |
| 12/27/2011 10:41 | David Valiant | Is there resolution to the unfinished Legislative Boundaries along the King/Pierce County line? | Yes |
| 12/27/2011 10:45 | Mike B | Not a good start this morning: Minutes were apparently either not sent or read prior to meeting, and "Plans" were not presented. How much time does the Commission need? This process is too political, even at this level. Perhaps we need to use the California approach? Putting the decison in the hands of poltiical appointees is still "political". The ciizens need to be in control, not the politicians or their surrogates. | Yes |
| 12/27/2011 10:45 | Jonathan M. Fox | My Seattle based PCOs really do not care what happens in Renton. My Renton based PCOs do not care what happens in Seattle. This impares the districts ability to take part in goverment. My PCO think this is part of a plan to allow office holders to get away this graft such as the infamous sale of the MLK jr. school site for pepper corn | Yes |
| 12/27/2011 10:49 | chadlupkes | John, perhaps we all need to expand our understanding of community. :) | No |

| 12/27/2011 10:51 | Neal Traven | I reiterate that a "amjority-minority" Congressional District would have whites as by far the largest "constituency" within the CD. M-M districts work as might be desired only if there is a significant *single* group that can dominate the district. That is decidedly *not* the case in Washington. | Yes |
| 12/27/2011 10:52 | Sue Lani Madsen | Consider this a private message: my apologies to the Commission for getting off track | Yes |
| 12/27/2011 10:53 | chadlupkes | Will you be able to fix the stream when the commission meets again in 2 hours? | No |
| 12/27/2011 14:29 | Van Anderson | Didn't see the broadcast earlier. Are we going to see full LD and CD map proposals today? | Yes |
| 12/27/2011 14:34 | Carol | ANY change the maps will be posted on the web before the morning? | Yes |
